Election/Restrictions

This application is in condition for allowance except for the presence of claims #5-12 directed to claims non-elected without traverse. Accordingly, claims #5-12 have been cancelled.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 05/19/04 was filed before the first action of the merits. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: While the prior art teaches an apparatus for controlling logistic commands for controlling a semiconductor processing chamber, wherein the programmable logic regulates the operation of a valve. The prior art fails to teach, either alone or in combination, a process wherein the generating, transmitting and executing steps are all performed within a time period that does not exceed 10 msec.

Art Unit: 2812

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Claims #1 through 4, 13 and 14 are allowed.

Claim #1

- Transmit the generated operation command to the at least one valve so as to execute the transmitted operation command at the at least one valve; wherein the generating, transmitting and executing steps are all performed within a time period that does not exceed 10 msec.
